

Join the *Think Babies* in calling on Congress to pass the *Build Back Better Act* with the paid leave all babies need. Your phone call can make a big difference for babies!

To make your call(s):

- [Fill out this short form.](#)
- You will receive a phone that call that will connect you directly with the office of your Senators or Representative.
- Use the sample script to share your message with staff. This script will also appear once you submit the form.

Use this sample script to share your message:

- Hello, my name is [Your Name] and I am a constituent who lives in [City/Town].
- I'm calling today to urge the [Senator or Representative] support and pass a *Build Back Better Act* that establishes a **paid family and medical leave** program that meets the needs of all working families. It is particularly important that the program is sufficiently funded to give all families at least 12 weeks of paid time off to bond with new or newly adopted babies, or care for their babies if they have a serious health issue, and provides a robust wage replacement.
- Right now, babies' brains are being built. Paid leave gives families the time they need to bond with and care for their babies, without sacrificing their financial security. When all babies have what they need, it creates a stronger society for all of us.
- This is of particular importance to me because [briefly describe why this is important to you].
- For crying out loud, it's time to invest in our babies TODAY.
- Thank you for your time and all the work you do to support families with young children.

Remember to hang up once you've completed your call or have left a voicemail **OR** press * (star key) to be connected with another Member of Congress.
