Tips for Driving Families

Payment and Reimbursement

Most families who drive to D.C. will be reimbursed after the event for mileage (based on the IRS rate of \$0.70 per mile). Drivers from D.C., Maryland, and Virginia can use their gift card to cover their mileage and parking. **Please let your liaison know if you plan on driving to DC.**

Getting Reimbursed (After You Travel)

- Families will be reimbursed for the total mileage of their trip, traveling from their home address to the Hilton Capitol Hill. And from the Hilton Capitol Hill returning to their home address. The reimbursement will be based on the IRS mileage rate of .70 cents per mile.
 - For example, if you live 100 miles from the hotel, your total trip mileage will be 200 miles. You will receive a deposit totaling $200 \times .70 = \$140$.
 - Consider this money your reimbursement for gas, along with other costs associated with operating your car.
- **After the trip, families must complete a [non-employee reimbursement form](#)** that ZERO TO THREE will use to determine and process reimbursement payments. Forms should be sent to RLoman@zerotothree.org no later than May 30.
- When submitting the form, you will need to include a copy of your route (home to hotel, hotel to home). We recommend using Google Maps to show the length of the trip.
- Reimbursement payments will be made by direct deposit to your bank account within a week after forms are processed.

Parking and Valet

All families will receive a \$575 Visa gift card to cover meals and travel incidentals. For families who are driving, this will include money that you can apply to parking, tolls, and related expenses. Please note that the hotel valet cost per day is above average. You may want to park at a nearby parking garage instead.
